Quality of Practice

As the largest forensic mental health hospital system in the nation, the California Department of State Hospitals offers an outstanding quality of practice. We promote a team-oriented, collegial working environment supported by leading experts in psychopharmacology. Our psychiatrists lead interdisciplinary treatment teams to provide care to some of the most complex patients to be found anywhere. We also offer work-life balance. Our psychiatrists work **4/10/40 work weeks** with voluntary on-call duty and strong level-of-care staff support to ensure **24/7/365 patient care and monitoring**. Our psychiatrists even have the flexibility to develop a private practice.

Quality of Life

The diverse locations of our hospitals offer opportunities to choose an environment that appeals to your personal interests.

DSH-Atascadero

is located near seaside communities of Pismo Beach, Morro Bay, and Cambria. San Simeon and Hearst Castle are less than an hour away. Two hours to the north are Pebble Beach, Carmel-by-the-Sea, and the Monterey Peninsula. Two hours to the south lays Santa Barbara.

DSH-Coalinga

is located in the center of one of the world's greatest agricultural communities—halfway between Los Angeles and San Francisco and 60 miles southwest of Fresno. The beach communities of Monterey, Morro Bay, and Pismo Beach are within two hours driving time, as is Yosemite National Park.

DSH-Metropolitan

is found within the suburban residential community of Norwalk, 15 miles east of Los Angeles. To the south is Disneyland, Knott's Berry Farm and the marinas and beaches of Huntington, Newport, and Laguna. To the west are Palos Verdes and Marina Del Rey.

DSH-Napa

is in the heart of California's wine country. It is conveniently located near San Francisco and Marin County attractions, as well as the scenic Mendocino coast.

DSH-Patton

is nestled south of the San Bernardino Mountains near the communities of Upland, Ontario, Redlands, Loma Linda, and Riverside. The mountains offer a variety of recreational opportunities including hiking, climbing, skiing, and aquatic sports at Lake Arrowhead.

DSH-Salinas Valley

is located within Salinas Valley, home to John Steinbeck and the Steinbeck museum. There is a myriad of recreational options in the nearby Monterey Bay and Carmel Coast.

DSH-Stockton

is mid-way between the San Francisco Bay and the Sierra Nevada Mountains. In addition to a number of local festivals and events, residents have weekend access to the San Joaquin Delta, Yosemite National Park, beaches, and ski resorts.

DSH-Vacaville

is midway between San Francisco and Sacramento. The community has a rich history, affordable housing, quality schools, a wide array of youth activities, making Vacaville a family-oriented city. One-day outings to museums in San Francisco, wineries in Napa or beaches along the coast are all accessible.

Compensation

Psychiatrists earn \$18,879–\$24,445 per month and can earn up to \$141 per hour through voluntary on-call duty.

The State of California provides an outstanding benefits package that includes a defined-benefit pension, health, dental, and vision coverage, retiree healthcare, a 401k and a 457(b) plan, an exclusion from paying the federal Social Security tax, up to 56 hours of leave and \$1,000 annually for continuing medical education, and paid malpractice.

DSH psychiatrists also accrue 11–18 hours of leave per month, and enjoy 11 paid holidays and relocation assistance.
