

### Internship Program Admissions

Date Program Tables are updated: 6/19/2017

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

Successful applicants generally have previous experience working with individuals with severe mental illness, a strong assessment background, interest and/or experience providing services to individuals from a wide range of cultural backgrounds, and a strong commitment to integrating science into their practice.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours	N	Y	Amount:
Total Direct Contact Assessment Hours	N	Y	Amount:

Describe any other required minimum criteria used to screen applicants:

Please note that state civil service guidelines require a minimum of 500 hours of assessment and therapy practica in clinical psychology. These hours do not need to be direct face-to-face hours and can include time spent in supervision and in support activities (e.g., report writing).
