

DATE: February 29, 2023

TO: ALL COUNTY CHIEF ADMINISTRATIVE/EXECUTIVE OFFICERS

SUBJECT: FISCAL YEAR 2023-24 FELONY INCOMPETENT TO STAND TRIAL  
(IST) GROWTH CAP QUARTERLY PROGRESS REPORT:  
QUARTER 2

RE: IST GROWTH CAP DEPARTMENT LETTER: 23-003

Please find attached to this memo, the progress report of unreconciled Incompetent to Stand Trial (IST) determination data for the second quarter of FY 2023-24 (October 1, 2023, through December 31, 2023) provided along with reference to FY 2021-22 baseline IST determination numbers. A copy of the previously issued notices including Department Letter (DL) 23-003 are available at the following link: [DSH Growth Cap Webpage](#).

DSH releases unreconciled data reports, referred to as progress reports, within sixty days following the end of each new quarter. The intent of the progress report is to provide counties with quarterly updates on how the current year trend of felony IST determinations compares to baseline trends so counties have an opportunity to take action that could result in preventing cap overages and potential funding redirection.

#### **Additional Growth Cap Program Updates**

The dispute window for FY 2022-23 annual IST determinations ended on January 31, 2024. DSH is working on investigating all disputes that were received and will meet the appropriate response timeframe established in the [Dispute Process](#).

DSH is open to suggestions for the development of training and technical assistance offerings to help support counties with growth cap planning and implementation. If you have ideas on training and/or technical assistance topics, we invite you to email our team; or if you have any questions or require additional information, please send all correspondence to: [DSHISTGrowthCap@DSH.CA.GOV](mailto:DSHISTGrowthCap@DSH.CA.GOV).

A handwritten signature in black ink that reads "C. Edens".

Chris Edens  
Chief Deputy Director, Program Services  
Department of State Hospitals

**Methodology Notes:**

FY 2023-24 IST determinations reflect FIST referrals received with a commitment date to a DSH funded program in FY 2023-24 and referrals were received no later than 12/31/23. This methodology would be applied to IST Determinations for all subsequent years.

**Adjustments to the FIST determination count include:**

Program Revokes - these are FIST individuals who may have been committed to DSH and placed in a diversion or CBR program in a prior fiscal year then revoked from the program and subsequently re-referred to DSH (inpatient) on the same charge in the applicable fiscal year.

Cancelled FIST commitments/referrals to DSH include FIST individuals who were committed to DSH and either competency was restored or case was dismissed while waiting in jail prior to DSH treatment and/or re-evaluation. Cancelled FIST commitments are excluded as one of the adjustments increasing the FY 2021-22 Baseline IST count. For FY 2022-23 and all future years, cancelled commitments will be incorporated as an adjustment and reduced from the IST determination counts.

Re-Evaluated 1372 includes individuals who were re-evaluated by DSH's Re-Evaluation Program and identified as competent prior to admission to any DSH treatment program, including Early Access and Stabilization Services (EASS). Totals also include the re-evaluations performed by Los Angeles County Office of Diversion and Re-Entry (known as "off-ramps").

EASS 1372 includes IST individuals who were found competent after participation in EASS services, but were removed from the DSH wait list prior to admission to a DSH program bed in a JBCT, State Hospital, Community Inpatient Facility, CBR, Diversion or CONREP.

Refer to DL 23-003, Attachment C, regarding the methodology applied for the Diversion Credit.
